

Plymouth-Canton Community Schools
K-8 Shared Living Arrangement

If you live in a residence that is owned or leased by someone other than your spouse, you will need to contact the Student Services office at the Board of Education for Plymouth-Canton Community Schools to schedule an appointment to sign a residency affidavit.

For the parent - the affidavit you will be asked to sign states that you reside in someone else's residence, that you have no other residence and that you agree to notify the school immediately if you should move. The parent must provide two pieces of first class mail they receive at this residence, addressed to the parent only, not in care of the homeowner/leaseholder. These can include bank statement, car payment, car insurance, cellular bill, credit card bill, etc., or forwarded mail. The following will not be accepted as proof of residency: driver's license, Michigan ID, voter registration.

For the resident - the affidavit you will be asked to sign states that the parent resides in your residence with their child or children and that falsifying this information could result in criminal penalties for perjury. The resident must provide a property tax statement and recent utility bill **or** a signed lease and recent utility bill.

Because the form must be signed and notarized, you will be required to provide picture identification.
