March 27, 2019,

Dear Future Liberty Lions,

We would like to invite you and your student(s) to attend our annual incoming 6th grade orientation meeting for our families transitioning to Liberty Middle School in the fall. The orientation will provide general information on the structure of 6th grade, overall expectations of middle school, and a ton of helpful tips that will make the transition into middle school smoother.

The orientation will be: **Thursday, April 25, 2019 from 6:00 P.M – 7:30 P.M. in the cafetorium.** Self guided tours of the building will take place from **7:00 P.M-7:30 P.M.** We ask that you park in the west or east parking lots and enter the building through door #6 or #16, which are designated on the attached aerial view map.

We look forward to meeting you and your student(s) on **Thursday April 25, 2019** to begin our great future together at Liberty Middle School and share some of the wonderful things Liberty has to offer.

If you have any questions about orientation or registration, please do not hesitate to email the administrative or counseling team at James.Hunter@pccsk12.com , Tim.Authier@pccsk12.com , Leslie.Anderson@pccsk12.com , sheila.weber@pccsk12.com

Go Lions!!

Sincerely,
James Hunter
Principal
Liberty Middle School
