

RECOMMENDED SUPPLY LIST – ALL GRADES

At parent request, Liberty teachers have compiled a generic list of suggested supplies for the 2019-2020 school year. This list could help parents who purchase supplies before the first day of school. Please understand this list is generic; it is not specific to any teacher, and is only a suggestion for grades 6, 7, 8.

To avoid possible over-purchasing, **you could wait until after the first day of school to purchase your student's supplies from specific/individual teachers.** In that case, just send your child to school on the first day with paper and pencils.
