General Information
Due to the current pandemic, P-CCS is excited to offer Virtual Summer School for students. We will be offering opportunities for students to take courses for the first time for credit advancement and also take courses for credit recovery and/or grade improvement.

Notes
Students should work with their counselor prior to selecting summer school courses.

Students currently receiving free-reduced lunch will be given a $100 discount.

To register, visit the P-CEP Summer School webpage:

Credit Advancement
P-CCS has partnered with Michigan Virtual to provide multiple new learning opportunities for students. These opportunities are for students taking the selected course for the first time.

Session runs June 8 - August 14
P-CCS Resident $325 per course (.5 credits)
Non-resident $375

Credit Recovery
P-CCS will continue to use the Edgenuity online platform to provide credit recovery and/or grade improvement opportunities for students. These opportunities are for students that were previously unsuccessful in the selected P-CCS course.

Session runs June 22 - July 23
P-CCS Resident $295 per course (.5 credits)
Non-resident $345
